## CHOLERA CURE

FOR HOGS AND POULTRY.

Farmers, you need no longer fear to raise and feed Hogs. We not only claim to cure Cholera, but we guarantee to prevent any such disease from breaking out among your Hogs or Poultry, if our remedy is used as directed. It is also fine for Brood Sows before farrowing, being a good blood medicine, which places them in a healthy condition. You cannot afford to be without this remedy if you expect to raise and feed Hogs, as you will more than make the price of the medicine in the extra gain in your hogs, and then you can rest assured they will have no disease. If they do we will refund the money. Write for testimonials.
